Bixby Public Schools may receive requests from the news media or professional persons to interview, photograph, and/or film students for news publications, television or radio broadcasts, BixbySpartans.tv, SchoolTube, District Website or for educational information and training and various publications and brochures printed by Bixby Public Schools. Permission is needed for your child to be the subject of any news media publicity or for educational information.

Additionally, in the context of instruction, students may create articles, essays, art work, and other artifacts and/or use blogs, podcasts, videos, wikis, or other social media that makes is possible to share content with classmates, students in other states or countries, and where appropriate with the general public. Some content may include student images, however, Bixby Public Schools adheres to COPPA (Children's Online Privacy Protection Act) and full names and personal information are kept confidential and are not shared online.
